

# OTHER EVENTS

## **Students Meet Members for Lunch (SMMfL)**

One-on-one meeting with an ASA member over lunch during the ASA meeting. Students who wish to participate must check the SMMfL check box in the online meeting pre-registration form.

## **Student Design Competition (2aAAb)**

*Tuesday 8:00am-12:00pm Room 214*

This competition is intended to encourage students in the disciplines of architecture, engineering, physics, and other curriculums that involve building design and/or acoustics to express their knowledge of architectural acoustics and noise control in the design of a facility in which acoustical considerations are of significant importance. Design Scenario: A college with a very strong music and vocal program intends to construct a new 1,200-seat performance hall primarily for opera. Although the main purpose of the hall is to support their opera program, the hall will also be used for speaking engagements by the school's president and other invited speakers.
